- **League Fees:** Teams will make a one-time payment of \$6,000 (or \$1,500 per individual) to PGA Development Center – Waterfall on or before the season starts. League fees pay for all Premium Bays for 4 players for the 5 weeks (2 hours each night) of league play, short game area access, league organization and match play set-up, all scoring and leaderboard reporting, and prizes for league winners.
- **League Admin:** PGA Development Center–Waterfall will organize all bay reservations, keep all scoring records, report team standing and provide prizes to league winners.
- **Score Recording:** At the conclusion of each contest both players will take a picture of their match Toptracer scorecard and report the results to the commissioner.
- **Handicaps:** Each player will use their GHIN handicap multiplied by 0.75 for virtual Match Play. Handicaps will be entered into the Toptracer software prior to the start of all individual matches. Toptracer will automatically calculate which holes a player will be stroking on. Player’s strokes are indicated by a dot below the player’s name on the current hole screen and on by dots scorecard screen.
- **Shots Taken Out of Turn:** If a player accidentally plays a shot out of turn both players should acknowledge the mistake and use the Mulligan feature on Toptracer to correct the error.
- **Penalty Shots:** All hazard and OB shots are played laterally and assessed a 1-stroke penalty in Match Play on Toptracer.
- **Toptracer:** As amazing as the Toptracer system is, there could be an occasional false read. If you believe there is a false read, please refer to the below:
  - **Shots mishits low that are not registered by Toptracer:** If a player mishits a shot low or sideways, which does not register on Toptracer, the player will be given ONE grace shot per contest taking a full normal swing. If the player mishits again the player will use a short wedge to advance the ball no more than 50 yards or halfway to the whole, whichever is shorter.

- **Approach shots hit high that are not registered by Toptracer:**  
If a player hits a shot that is high (i.e., an approach shot to the green), which does not register on Toptracer, which is not considered a mishit by the competitors, then the player may re-play the shot giving best effort given to lower the trajectory of ball flight. The player may continue to take shots if the Toptracer continues to not register with best efforts given to lower trajectory of ball flight.
- **Shots from adjacent bays registered by Toptracer:** If a shot from an adjacent bay is registered by Toptracer during the competition, the players will use the Mulligan feature to correct the error.
- **Disputes:** PGA Development and the league commissioner will have the final say on all disputed matters.
- **Match Cancellations:** If matches need to be canceled for any reason (i.e. inclement weather), the commissioner will notify everyone via WhatsApp no later than 4:30pm on calling off play. The Commissioner will reschedule the matches within 2 weeks of the cancel date on days acceptable to all teams or by extending the league play as necessary.
- **Substitution:** If you cannot make it for a week, you may find a guest to substitute to play in your place. Substitute scores count equal towards team score. If you get a substitute, make sure you indicate on the scorecard the player the sub is playing for. If the sub is a new player, please include his/her phone number, email, mobile, and Toptracer ID. Please contact the Commissioner ahead if there are plans for a substitute.
- **Forfeit:** If a player cannot play and cannot find a substitute, they may play the round within one week of the missed match on the same course. The commissioner will then score the match accordingly. If a player cannot make up the match in the allotted time the match is forfeited.

- **Food and Beverages:** PGA Development Center – Waterfall does not provide any food, water, or other beverages. Players may bring food and beverages to the facility. FYI, the Point Kitchen, located at Shop 105A, Olympian City 2, offers [delivery](#). Please discard all trash and keep the bays and seating area clean.
